

**CPC50220 Diploma of Building and Construction (Building)  
2023 Academic Calendar**

Builders Academy Australia (BAA) offers two (2) streams in the CPC50220 Diploma of Building and Construction (Building). Students will complete a Pre-Training Review (PTR) which will determine which is the most suitable and appropriate stream of studies for the student to enrol into based on their experienced and qualifications held. The two (2) streams are as follows:

Standard Stream-Less than 5 years experience working in the Building and Construction Industry;

Experienced Stream-More than 5 years experience working in the Building and Construction Industry.
