We are committed to continuous improvement and approaching complaints and appeals as an opportunity to refine and improve our service delivery.

We respect both privacy and natural justice considerations when handling complaints or appeals. This policy is publicly available and is published on our website.

For the purposes of this document the following applies:

Grievance – an expression of dissatisfaction

Complaint – a dissatisfaction with any service provided by BAA coupled together with a request for action.

Policy

A complaint or appeal brought under this Policy may relate to:

- a. the performance of administrative, academic, teaching or service functions of BAA;
- b. any third party involved in the delivery of services on behalf of BAA, if the complaint is in regard to the delivery of those services; or
- c. the behaviour or actions of another student, trainer or staff member of BAA.

We respect procedural fairness, privacy and natural justice considerations when handling complaints or appeals at every stage of the process. This policy is publicly available and is published on our website at <https://buildersacademy.edu.au/baa-academy-links-and-documents/>.

Complainants are entitled to access this grievance procedure regardless of the location of the where the grievance has arisen, the Complainant's place of residence or mode of study.

BAA will endeavour to resolve all complaints and appeals within 10 business days.

Students will be notified in writing of outcomes of all formal complaints/appeals, including reasons for the decision. Decisions will be made based on current Government Legislation, Standards for RTOs 2025, our Policies and Procedures, and where applicable, The Rules of Evidence, The Principles of Assessment and The Principles of Natural Justice.

If BAA requires more than 10 business days to resolve any complaint or appeal, we will write to all parties involved and explain why it requires more time and give an expected date that a resolution will be made. We will keep all parties regularly informed during this time in writing.

Allegations of discrimination, harassment and bullying are managed under the BAA's Fair Treatment and Equal Opportunity Policy published on our website at <https://buildersacademy.edu.au/baa-academy-links-and-documents/>.

Responsibility

All senior management staff are responsible for the implementation of this policy and procedure and for ensuring that all staff are fully trained in its operation and availability through the staff library on the Learning Management System (LMS) - Canvas and that all students are made aware of its availability on BAA's website.

Grievances, Complaints and Appeals Handling Principles

Grievances, Complaints and Appeals will be handled in accordance with the following principles:

Good Faith: The process assumes and relies upon all parties engaging in good faith, with an open approach to considering reasonable options.

Procedural Fairness:

- All parties will be treated fairly, and in a manner that respects their right to an unbiased, timely and transparent process.
- BAA will not be biased or appear to be biased nor have a personal interest in the matter of the grievance, complaint or appeal.
- All cases are considered on their merits, on the basis of relevant information and any mitigating circumstances.
- All parties have the right to be heard before a decision is made, including the right to respond to statements or material that is to be relied upon in reaching a determination.

Review free from Victimisation or Discrimination

BAA will ensure its grievances, complaints and appeals policy and processes are free from Victimisation or discrimination. A Complainant will not be victimised or discriminated against for:

- (a) seeking review or reconsideration of a decision; or
- (b) using the BAA's processes or procedures about dealing with grievances; or

Informal Grievance Procedure

We encourage anyone who is experiencing dissatisfaction to contact the relevant party to discuss any issues or concerns the person may have. Where this does not provide a satisfactory outcome or where this is not appropriate for any reason, the person can escalate the matter by sending an email to Student Support at enquiries@buildersacademy.com.au, explaining their issue or concern.

In the first instance students will contact their allocated Trainer, Assessor to discuss any issues or concerns they may have.

BAA will investigate the issue/concern and respond within 10 business days of the date of the student's e-mail.

Included with the response will be advice regarding their right to access the Formal Grievance procedure if they are still dissatisfied with the outcome at this stage.

There is no charge to access the informal grievance procedure.

Formal Grievance Procedure – Complaints and Appeals

The General principles that will apply to all stages of these procedures will be adhered to by all staff at BAA. These principles are as follows:

- The Complainant, Appellant and respondent will have the opportunity to present their case at each stage of the procedure.
- The Complainant, Appellant and the respondent have the option of being accompanied/assisted by a third person (such as a family member, friend or counsellor) if they so desire, at that party's cost.
- The Complainant, Appellant and the respondent will not be discriminated against or victimised.
- At all stages of the process, discussions relating to complaints, grievances and appeals will be recorded in writing. Reasons and a full explanation in writing for decisions and actions taken as part of this procedure will be provided to the Complainant and/or the respondent if requested.
- Records of all grievances will be kept for a period of at least five years. These records will be kept strictly confidential and stored electronically in a specific secure location and within a folder that will only be accessible to Senior Management.
- A Complainant/Appellant shall have appropriate access to these procedures at no cost.
- No disadvantage: A student making a complaint or appealing a decision will not be disadvantaged simply by virtue of having lodged the complaint or appeal.

Formal Complaint

Formal complaints should be submitted in writing to the Student Support Team:

Email: enquiries@buildersacademy.com.au.

Once the complaint has been received the Complainant will be sent a complaint number via email from a BAA student support staff member. BAA will commence assessment of the grievance within 5 business days of the complaint being received.

In some cases, the BAA representative investigating the complaint or grievance may need more information from the Complainant to assist us in understanding and / or investigating their concerns.

We may contact the Complainant by phone or email. In the event that the Complainant does not return to us with further information after two contact attempts, we may elect to close the complaint. We will notify the Complainant in writing where this is the case.

BAA will endeavour to resolve the complaint within 10 working days. Where a complaint cannot be resolved within 15 business days, BAA will contact the Complainant to advise them and will keep them informed of the progress of the matter.

BAA will advise the Complainant in writing of the outcome (including details of the reasons). The Complainant will be advised of their right and how to access the Appeal procedure if they are not satisfied with the outcome of their Complaint. BAA will also advise the Complainant that they can be accompanied or assisted by another person, at that cost.

There is no charge to access the Formal Complaint procedure. If the Complainant is not satisfied with the outcome of a complaint, they may lodge an appeal.

Appeals

Appeals can be made in writing via post or email to the General Manager – Quality, Education and Compliance, Builders Academy Australia.

The Appellant will need to provide a summary of the grounds that the appeal is based on and the reason why they feel that the initial decision was unfair. The appeal must be lodged within 20 working days from the date they received the decision.

Post: Builders Academy Australia, Level 4, 222 Bourke St, Melbourne 3205

Email: enquiries@buildersacademy.com.au

The appeal will be reviewed, and determination made by the General Manager – Quality, Education and Compliance who is an independent senior staff member not associated with the enrolments or training functions at BAA. Review may be allocated to another staff member if needed.

The General Manager – Quality, Education and Compliance will commence assessment of the appeal within 5 business days of the appeal being received.

BAA will endeavour to resolve the appeal within 10 business days of the appeal being received. Where an appeal cannot be resolved within 15 business days, BAA will contact the Appellant to advise them and will keep them informed of the progress of the matter.

The Appellant will be advised in writing of the appeal outcome (including details of the reasons for the decision). The Appellant will be advised of their right to access the External Dispute Resolution stage three of this procedure if they are not satisfied with the appeal outcome. BAA will also advise the Appellant that they can be accompanied or assisted by another person, at that party's cost.

There is no charge to access the Appeal procedure.

External Dispute Resolution for Students

If the Appellant is not satisfied with the outcome of their Appeal, they may request that the matter be referred to an external dispute resolution body appointed for this purpose by BAA.

BAA will source an external independent mediator with appropriate expertise through Resolution Institution – an association of Dispute Resolution specialists. BAA will also advise the student that they can be accompanied or assisted by another person, at that party's cost.

The parties must be available to attend mediation within 30 days. BAA will give due consideration to any recommendations arising from the external review within 10 working days and provide the student with written notice of the decision on review, including all reasons for the decision.

External Complaints – Domestic Students

For students that have been through all stages of this grievance handling process and remain unsatisfied with the outcome of their grievance, may:

- Contact the Australian Skills Quality Authority (ASQA). For contact details and information please see: www.asqa.gov.au/complaints

ASQA accepts complaints and feedback about training providers from all members of the community. Note: ASQA do not appeal assessment outcomes for Students, they also do not help to resolve disputes between students and training providers.

Any costs associated with the student taking the matter further will be borne by the student unless a court of law directs BAA to pay for such costs.

Where BAA does not agree with the outcome of the third-party recommendation, BAA will notify the student in writing outlining our decision and how we have come to that decision.

External Complaints – International Students

Where a Student is not satisfied with the result or conduct of the internal Complaints and Appeals process, the Student has the right to access an external appeals process through the Overseas Students Ombudsman <http://www.ombudsman.gov.au/How-we-can-help/overseas-Students>

The Overseas Students Ombudsman investigates complaints about problems that International Students on a Student Visa or prospective International Students may have with private education and training and/or private education and training Providers in Australia. If Students are unsatisfied with the BAA Complaints and Appeals process, they may lodge a complaint with the Overseas Students Ombudsman.

The Ombudsman:

- Provides a free service;
- Is independent and impartial (it doesn't represent either International Students or Providers);
- Can make recommendations that arise out of investigations; and
- Is a function of the Commonwealth Ombudsman.

The Overseas Student Ombudsman may be able to help if:

- A current or former overseas student, and
- Studying with a private provider in Australia.

The Overseas Student Ombudsman deals with complaints about:

- Refusing admission to a course;
- Fees and refunds;
- Course or provider transfers;
- Course progress or attendance;
- Cancellation of enrolment;
- Accommodation or work arranged by a private provider
- Incorrect advice given by an Education Agent.

Reporting to the Department of Education and Training (DET) and Department of Home Affairs (DHA)

The National Code 2018 requires that when a Student’s external Appeal is against BAA’s decision to report the Student for unsatisfactory course progress, BAA must maintain the Student’s enrolment (e.g. not report the Student for unsatisfactory progress) until the external complaints process is complete and has supported the Provider’s decision to report before notifying the Department of Education and Training (DET) and Department of Home Affairs (DHA) through PRISMS of the change to the Student’s enrolment.

BAA must wait for the outcome of the external process in this case as reporting a Student for unsatisfactory progress has serious consequences for the Student’s Visa; although automatic Visa cancellation no longer exists, DHA may still cancel a Student’s Visa at their discretion.

If the Student’s external appeal is against BAA decision to:

- Defer or suspend a Student’s enrolment due to misbehaviour, or
- To cancel the Student’s enrolment

BAA only needs to await the outcome of the internal appeals process (supporting the Provider) before notifying the DET and DHA through PRISMS of the change to the Student’s enrolment.

Once DET and DHA have been notified of a deferment, suspension or cancellation of a Student’s enrolment via PRISMS, the Student has twenty-eight (28) days in which to:

- Leave Australia;

- Show DHA a new Confirmation of Enrolment (CoE); or
- Provide DHA with evidence that he or she has accessed an external Appeals process.

In cases where BAA has reason for concern for the welfare of the Student or those with whom the Student may come into contact, the Provider can cancel the Student's enrolment prior to completion of the appeals process. Where extenuating circumstances are considered to exist, the CEO will make the final decision and inform the Student Support Services Officer- Team Leader (or suitable alternative) who will then issue formal correspondence and report to the DET and DHA through PRISMS.

The 'extenuating circumstances' option covers situations where a Student's behaviour has led BAA to fear for the safety and wellbeing of the Student and/or people the Student may encounter. In this case, BAA may cancel the Student's enrolment without having to wait for the outcome of the internal appeals process. However, the Student can still appeal from his or her Australian residence or home country. Once BAA notifies the DET and DHA of the cancellation of a Student's enrolment through PRISMS, the Student has twenty-eight (28) days in which to find alternative enrolment or to return to his or her home country. If the Student secures enrolment with another Provider within the twenty-eight (28) days, the Student may commence studies with the new Provider. If the Student does not secure alternative enrolment or return home within twenty-eight (28) days, the Student's Visa may be cancelled. (Please note that cancelling a Student's enrolment does not always lead to automatic cancellation of the Student's Visa. DHA may contact a Student to explain the circumstances relating to the cancellation of the enrolment and may cancel a Student's Visa subsequent to this happening).

Under the National Code 2018, the Student has the right to appeal with BAA if he or she wishes to do so, whether still in Australia or in the home country. BAA must notify the Student of its intention to cancel the Student's enrolment prior to notifying DET and DHA through PRISMS of the cancellation. If BAA notifies DET and DHA through PRISMS that it is cancelling a Student's enrolment for disciplinary reasons, the Student has chosen to access the appeals process but the appeals process has not been completed, PRISMS will ask BAA if extenuating circumstances apply. If BAA chooses 'Yes', a dialogue box will pop up containing the following text:

'You are reminded that, even though you may report now because extenuating circumstances exist, this Student must still be given the opportunity to appeal your decision to suspend or cancel the enrolment.'

If BAA then clicks 'OK', a free text box will appear so Providers can enter the details of the extenuating circumstances.

Continuous Improvement Actions

BAA confirms its commitment to investigate and act on any complaint raised, and also to take appropriate action in any case where the complaints are substantiated. In cases where a complaint is upheld, BAA endeavors to identify the cause of the complaint and implement steps to prevent the situation happening again.

All improvement actions arising from complaints are raised via the complaints register. BAA maintains a Continuous Improvement Register for recording the receipt and management of improvement records.

Once improvement records are raised, the Compliance Team review complaints and their causes, evaluate corrective action to resolve the issue and prevent reoccurrence, implement appropriate actions, record results of actions undertaken and review these actions to ensure effectiveness after implementation.

Confidentiality

All complaints are handled by all parties at BAA with appropriate confidentiality. Unless required otherwise by law, information arising in the course of a complaint will be circulated only between the parties and other people involved on a need-to-know basis.

Information will only be used for the purpose of resolving the complaint in accordance with this Policy, with the provision that aggregated and de-identified data can be used to support BAA's monitoring, reporting and continuous improvement processes.

BAA acknowledge that some complaints may be of a more sensitive nature than others. Students can request to log their request directly with a staff member from the Compliance Team or the Training Manager.

Anonymity: Students who have a complaint and wish to remain anonymous may lodge their complaint in writing. However, it should be noted that these complaints may be difficult to investigate because of inadequate information. The General Manager – Quality, Education and Compliance will progress these matters at their discretion.

The Complaints Register is securely located and maintained on an internal intranet database and access is limited to key staff who deal with complaints due to the confidential and / or sensitive nature of some complaints.

Frequently Asked Questions

My complaint is about my trainer – will they be aware that I’ve complained?

In most situations, if the matter concerns your trainer, it is best that we discuss the matter with them as part of our investigation. We will handle such situations with sensitivity. If you do not want your trainer to be aware of your complaint, please let us know. However, this may limit our ability to fully investigate your concerns. If you wish to remain anonymous you can, but we may not be able to fully resolve your concerns.

I don’t want to get anyone in trouble

BAA views all complaints and grievances as an opportunity for continuous improvement. We recognise that our staff at times may make errors and it is important for us to be aware of these issues so that we can provide coaching and / or training if required. In other cases, it may not be a human error, but systematic issue that we could implement a new process for.

I just want to give you feedback, I don’t want any response

We always welcome feedback and try to incorporate it where we can. If you don’t want us to respond, just let us know when lodging the feedback.

I’m not angry, but I just want to let you know that I have an issue

We welcome all feedback and certainly welcome the opportunity to address your issue. You don’t need to be angry to have an issue.

Who can view the details of my grievance or complaint?

We lodge the details of your grievance or complaint into our internal complaints or grievances database. This database has restricted access to maintain confidentiality, particularly when a complaint is of a sensitive nature.
